

PUBLIC POSTING POLICY

All notices posted in the library will be for non-profit organizations, and at the discretion of the Director. Items will be posted on a space-available basis and for a reasonable length of time. The Library will designate specific areas for postings. When space is limited, preference will be given to Library events, events occurring in Aquinnah, and non-profit events, in descending order. Any variation will be at the discretion of the Director. Items that support or oppose a political candidate or ballot measure, that support or oppose a religious conviction or that ask patrons to sign a petition or letter related to non-library causes will not be posted. All items for posting or distribution will be delivered to the circulation desk for review. Items to be posted and items to be distributed will be placed by Library staff. The Library cannot guarantee that a dated item will remain posted until the date(s) published.

Public bulletin boards are available for posting information of cultural, educational, civic, social and recreational interest, including program announcements, job information and community services of interest to area residents. Commercial advertising and politically partisan material are not accepted.

The Library cannot be responsible for loss or damage of any item on display and reserves the right to remove or refuse any material judged unsuitable.

The posting or display of material does not in any way constitute approval or endorsement by the Library. Permission to post or display material shall be given at the discretion of the Library Director.
